

TD Ameritrade Park Play Ball!

Project: TD Ameritrade Park
Omaha, Nebraska

New \$130 million ballpark built to replace legendary Rosenblatt Stadium. The stadium features state of the art club lounges, suites and press facilities within a new elevated structure. Public concourses with restrooms and concessions provide open views to downtown Omaha and the iconic Qwest Center. Clubhouse and locker room facilities are provided for multiple teams. This stadium hosts the NCAA World Series and is the permanent home of the Creighton University Bluejays.

Client: HDR

Owner: MECA

Completion: April 2011
